Area Description

Pacific Beach is a popular coastal community within the city of San Diego, known for its beaches, surf culture, retail shops, wide selection of restaurants, and as one of San Diego's most developed nightlife destinations. The lure of the surf and sand by day and abundance of bars and restaurants at night help make the seaside neighborhood of Pacific Beach or "P.B." as it's referred to by locals. Within the 92019 ZIP Code where Pacific Beach is located there are roughly 350 restaurants, bars, and coffee shops. Trendy hotel bars and casual cafes line the 3.2-mile-long boardwalk, while Mission Boulevard and the surrounding streets are dotted with women's clothing boutiques, yoga studios and casual eating spots. While formerly largely populated by young people, surfers, and college students, because of rising property and rental costs the population is gradually becoming older and more affluent. PB is bordered by the Pacific Ocean to the west, La Jolla to the north, Mission Beach to the south, and Interstate 5 to the east.
